

PYTHON PROJECTS

- **FIND PHONE NUMBER DETAILS USING PYTHON (TRACK LOCATION)**

In this python Project,find phone number details like, name of the sim organization & the country.

- **CREATE 2048 GAME WITH PYTHON**

In this project the player has to slide the numbered tiles on the grid to create a tile with number 2048. The player can continue to play the game after reaching the 2048 tile and can create tiles with larger numbers. The player will also get points while playing the game.

- **CREATE SNAKE GAME IN PYTHON**

The objective of this python project is to build a snake game project. In this python project, the player has to move a snake so it touches the fruit. If the snake touches itself or the border of the game then the game will over.

- **YOUTUBE DOWNLOADER WITH PYTUBE**

Python YouTube Video Downloader is an application to download videos from YouTube. This provides users to download videos they need in their devices and watch them offline.
